STATE BOARD OF LAW EXAMINERS
OF TENNESSEE

Mr. Joseph Max Freudman, 8/22-16.
42-43 Goodbar Bldg.,
Memphis Tenn.

Dear Sir:--

It gives me pleasure to report that you successfully passed the Bar Examination held by the State Board of Law Examiners in June 1916.

You can forward your license fee of $3.10(ten cents to cover revenue stamp) to me at Memphis, and as soon as the certificates have been signed by the Supreme Court, your license will be sent to you.

The Supreme Court has adjourned and it will probably take some time to have the license certificates signed by them. If you will send the above mentioned license fee to me at once, I will forward you a letter which I am sure the Courts of Tennessee will recognize until the license certificates have been signed by the court.

Hoping that the practice of law will be pleasant and profitable to you and that, as a Member of the Bar, you will reflect much credit upon it, I beg to remain,

Very truly yours,

Jas L. McRee
